

## EY Resource

Look at some of the different things people have decorated for different reasons. Can you think of a time when you have decorated something? What did you decorate? Why did you think it needed decorating? How did you decorate it?

When we moved to a new house, I didn't like the colour of my bedroom, so we painted it purple which is my favourite colour.

I decorated my school bag with lots of different keyrings so that I knew which one was mine.

Source: Arman Ayva

I like to decorate lots of different things to make them look more exciting. I am painting a plant pot today ready for planting some flowers.
