

# DANGER IN THE CAR PARK!

Dear Parents and Carers,

Please can parents who drive cars in to and out of the car park take extra special care and **SLOW DOWN?**

Please SLOW DOWN as you come in to the car park from Monkchester Road in particular.

Please be extra vigilant when you are parking and reversing as there may be small children passing behind your car.

We have had several 'near misses' recently and we **DO NOT** want anyone to be hurt.

We also have users of the Football Club and Community Centre who have been put at risk - so please **SLOW DOWN** and **take care** when you park and drive in the car park.

Thank you for your patience, help and support with our children's safety in the car park.
